

Horatio Board of Education met in regular session on Monday, November 12th in the administration building. The board members approved emergency response team policy, athletics' events concession policy, and agreement with Central Payment for acceptance of debit/credit cards.

Board members appointed Elizabeth Walker as the legislative liaison for the school district, adopted resolution for annual election to be held May 21, 2019 and approved Act 1120 for the 2017-18 school year.

The board approved student-successes awards, with principals determining the successes of students, approved transfer of students into district, and approved long term substitute for maternity leave of teacher.

Reports were given by superintendent, elementary and high school principals, financial statements, and routine reports were approved.
