

Horatio Board of Education met in regular session Monday, January 9 @ 6:00 pm in the administration building.

Board Members voted to extend contract of superintendent to 2018-19 school year and extend contract of part-time technology employees to 40 days.

The board voted to raise tuition reimbursement from \$350 to \$450 for courses. Employee must remain in district one year following reimbursement or will be required to repay the District. They also voted to change the suspension policy to read that students suspended will take semester and state tests. Routine reports were given and approved.
